The background of the slide features a dark, abstract image with green and blue tones. On the right side, there is a large, semi-transparent red circular graphic with a warning triangle and the words "SECURITY ALERT" in bold, red, capital letters. In the upper left, there is a faint, glowing image of a person's face. The title "Cyber Security" is written in a large, white, sans-serif font on a dark green rectangular background that spans the top left of the slide.

- A decorative graphic on the right side of the slide features several overlapping squares of varying sizes and orientations. Two of these squares are filled with a solid green color, while the others are outlined in a light gray. The squares are arranged in a way that they appear to be part of a larger, abstract architectural or network structure.
